

Technical drawing of a rectangular plate. The overall width is 320 and the overall height is 17. A horizontal dashed line is drawn across the plate, with a dimension of 250 between the vertical centerlines of the two holes. The distance from the left edge to the centerline of the left hole is 35. A hole with a diameter of $\phi 23$ is shown on the right side, with an arrow pointing to it from the label.

Technical drawing of a vertical reinforcement bar (stержень) with a cross-section of 20 mm diameter ($\varnothing 20$) and a length of 255 mm. The bar has a central section of 45 mm length, indicated by a dashed line, which is labeled "Накамка" (hook) and "по ОСТ 34-13-931-86". The bottom of the bar is labeled $\varnothing 22$.
